wealth is in agriculture, and I believe that soon there will be appointed a Cabinet officer to give especial attention to agriculture such as you have here in this country. Of course the two most important Cabinet offices are those of the Treasury and Foreign Affairs, but in agricultural development lies the greatest future of our country, which railroads are aiding to bring about. The late Mr. Harriman saw this and Americans are realizing it more and more every day.

"President Diaz has done a great work in establishing Mexico's position. Some
